

EARLY CAREER TRAINING PROGRAMME CHECK LIST

ACTION

COMPLETED BY

Step one

Submit your training provider information.

Following an email invite from the DfE you will be asked to record your ECTs and Mentors for the AY 2025/26.

First, log into [DfE Manage Training Portal](#).

When asked 'How do you want to run your training in 2025 - 2026?', select 'Provider-led' and confirm.

When asked 'Have you appointed an Appropriate Body?' If you have chosen an Appropriate Body service provider, please answer 'Yes'.

When asked 'Which teaching school hub have you appointed?' please type 'Redhill Teaching School Hub (The Carlton Juniors Academy)' and continue.

[Watch process here \(DfE video\)](#)

Step two

Add an ECT to the 2025-2026 academic year for induction training.

Within the [DfE Manage Training Portal](#), click on the heading 'Early Career Teachers'

Click the green 'Add ECT' button, select the relevant option and fill in the information needed.

Select your ECT's mentor from a list of registered mentors or select 'Add or assign Mentor later'.

The ECT will be notified by email (on the email address provided) that you have registered them.

Note: To Transfer an ECT from another school to your school: Follow the steps above. Once you have input the transferring ECTs DOB, you will be asked to confirm that the ECT is moving from another school, the date they are moving to your school, and whether the ECT will be continuing with the same Training Provider (if previous provider was Redhill TSH then the answer is yes), or if not you will need to add a new Training Provider.

COMPLETED BY

Step three

Add a new Mentor to the 2025-2026 academic year for induction training.

Within the DfE Manage Training Portal, click on the heading 'Mentors'.

Click the green 'Add Mentor' button, select the relevant option and fill in the information needed.

The Mentor will be notified by email (on the email address provided) that you have registered them.

Note: Mentors will only have access to the EDT Online learning platform when linked with an active ECT.

[Watch process here \(DfE video\)](#)

Step four

Assign a mentor to an ECT

Within the DfE Manage Training Portal, click on the heading 'Early Career Teachers' and select the ECT you would like to assign a Mentor to.

This will bring up a list of your registered Mentors, select the relevant Mentor and confirm.

[Watch process here \(DfE video\)](#)

Step five

Register your school with Redhill Hub's Appropriate Body Service via ECT Manager.

Log onto ECT Manager and select 'Register ECT' on your homepage.

Complete the registration form.

(There is a lot of information required, it would be helpful to complete the application with your ECT. You can save the application and come back to it).

COMPLETED BY

Digitally sign the registration form to complete the application.

Induction Tutor & Head Teacher

The cost of the AB Service is charged at £220 per ECT, per year. Please instruct your finance manager to pay via our [website here](#).

Induction Tutor

If your school belongs to one of the Trusts listed below, you do not need to pay via our weblink, your Trust pays as a collective. (Redhill Academy Trust, Minster Trust for Education, Diverse Academies Trust, The Forge Trust & Nova Education Trust)

Note: If your school is not yet listed on ECT Manager, contact us via enquiries@redhillhub.org.uk, or 07831324490 and we will add your school.

EDT will then be notified about the registration of your participants by the DfE. Mentors will receive login details from EDT upon successful registration to allow them to complete their induction. ECTs will receive their login details from EDT upon successful registration, on or after 1st September 2025.

If you have any questions around registration, you can check out our [Frequently Asked Questions](#)

Or get in touch with the Hub team at **E: enquiries@redhillhub.org.uk T: 07831324490**
