

# ECT EXTRA

2023 - 2024

An annual  
programme  
of training  
for all ECTs

**Katie Day - Redhill Hub ECF Lead**  
[enquiries@redhillhub.org.uk](mailto:enquiries@redhillhub.org.uk)

As part of our CPD offer, Redhill Hub are launching an extended offer for all ECTs , entitled **ECT Extra** - a calendar of training events to support those in their first years of teaching to become the best teachers they can be.

To ensure easy access for all, our **ECT Extra** events are delivered online and twilight. Facilitated by expert practitioners from across the region they aim to strengthen and develop knowledge and practice, and present a great opportunity to meet peers and colleagues at a similar career stage.

**ALL SESSION TAKE PLACE ON ZOOM, FROM 4:00 PM - 5:30 PM**

**Behaviour 1: Doing it on my own**

27th Sept 2023

Taking responsibility and managing behaviour as a new teacher. How to build confidence and form productive and positive relationships.

**Active Learning: Low prep, high engagement**

15th Nov 2023

How to beat the workload blues; manage time by planning highly effective, low prep lesson activities.

**Adaptive Teaching: Is everyone making progress?**

6th Dec 2023

Practical advice and strategies to help us support all the learners in our classrooms and schools.

**Behaviour 2: 'I wasn't expecting that!'**

24th Jan 2024

How we find the confidence to re-establish routines and expectations if things are not going to plan.

**Ofsted**

31st Jan 2024

What does the inspection process look and feel like and what might an inspection mean for an ECT (with input from primary and secondary ECTs who have experienced inspection).

**Assessment: Feedback for teachers & learners.**

6th March 2024

Effective use of DIRT time, and tried and tested strategies that support us to ensure that time spent on marking and feedback is meaningful and productive.

**Early Leadership**

20th March 2024

How to deal with the responsibility of leadership in your ECT years when opportunity comes knocking. Input from teachers who took on leadership roles early in their careers.

**Teaching Fundamentals**

17th April 2024

A look at the tools that we put into our toolkit during training, sharpen them up and polish them to make sure they are in great shape going forwards.

**Data**

1st May 2024

The who, what, where, when, how, and why of data collection and analysis. What does it all mean, why do we collect it and what do we do with it that makes a difference?
